Stan Hywet

Hall & Gardens

CHC Addiction Services has provided critical treatment to adults and adolescents living with substance use disorders since 1974.

We invite you to join us to celebrate recovery at Stan Hywet Hall & Gardens, a place of significance in the history of AA and for all those in the recovery community.

The funds raised at the event will help enhance our opiate treatment programs — *programs that will serve more people than any other addiction service provider in Summit County.*

4:00pm **Registration**
